

Technical Trainer – Full Time

Location: Haddenham

Salary: Competitive

Vacancy for a Technical Trainer

About us:

We are a successful, Haddenham based company, who provide tailored training and marketing support services to a major truck manufacturer.

We are well established and have been in the industry for over 30 years. Our success is down to the skill and dedication of our team, the quality of the service we offer and the strong relationships we have been able to build.

About the Role:

We are looking for someone to join our team, to develop and deliver our technical training programme, support the DAF Trucks product range and DAF's dealer network.

Key requirements for this role:

- Comprehensive knowledge of modern vehicle technology, preferably trucks and the DAF Trucks brand
- Hands-on experience of repair and maintenance techniques for modern vehicles or a relevant qualification
- Excellent and adaptable communication skills
- Experience in the design and delivery of technical training
- Ability to plan and organise in order to meet deadlines
- Willingness to learn
- Flexible approach and excellent team working skills
- Current driving license as occasional travel within the UK and Europe may be required
- Passport required for occasional travel to Europe

In addition, the successful applicant will need plenty of drive and enthusiasm to motivate course delegates, as well as an understanding of the importance of customer/dealer personnel to the overall success of our business. An interest in the continuing improvement of training programmes and the assessment of course effectiveness and delegate performance is also essential.

Available Benefits:

Workplace Pension Scheme

Private healthcare available

Mental health and wellbeing support

28 days holiday with additional holiday entitlement based on time served

Company bonus scheme

If you feel you have the ideal skills, experience, and mindset, please e-mail your CV to
Kate.sadler@meteormanagement.co.uk

Please note: Meteor Management are a business partner who provide technical training for DAF Trucks. Employment will be with Meteor Management.
